Dear Sir:

In the absence of Sir Robert Falconer I beg to acknowledge the receipt of your letter and to say how sorry he will be that you are not likely to be able to take one of the University Services during the coming session.

President Falconer will return to Toronto about September 10 when he will write you himself.

Yours very truly,

President's Secretary.

Professor H. E. Fosdick,
Union Theological Seminary,
Broadway and 120th Street,
New York.

Dear Professor Fosdick:

It is a great regret to me to know that you will not be able to deliver a sermon in our series next winter, but in view of the great call that has been made upon you and the large opportunity opened to you in speaking in various American camps both on this side of the water and overseas, we cannot of course do less than accede to your request. Hoping that in happier days after the war we shall see you again.

It has been a great relief to know that the United States is now practically standing by our side, and we shall now unitedly go on to victory, with results that are not only to be of immediate value but will become beneficial in the generations to follow.

Yours very sincerely,

President.
